

SPONSORSHIP

In conducting sponsorship activity, GAZ-SYSTEM S.A. is applying the guidelines of the Instruction No. 5 of the Minister of Treasury of 13 February 2009 on the rules for sponsorship activity conducted by companies with participation of the State Treasury.

Coherence, transparency, efficiency and responsibility are the principles that GAZ-SYSTEM S.A. is guided by in its sponsorship activity. The activity of the Company in this respect is regulated by the “Rules of Sponsorship Activity of the Gas Transmission Operator GAZ-SYSTEM S.A.” as well as the annually updated “Sponsorship Activity Plan.”

Sponsorship in the Company is conducted on the national and local level and to a lesser extent on an international level.

Each action within **the sponsorship is subjected to an evaluation of the specifications and the efficiency** in the scope of the Company image, media reception, increase in rank of the Company brand and the Company goodwill.
