

Mechanism for assuring cost neutrality of the balancing

By decision of the President of the Energy Regulatory Office of 27th May 2020, the "Mechanism for assuring cost neutrality of the balancing activities conducted by the Gas Transmission Operator GAZ-SYSTEM S.A." was approved. The document defines the methods of calculating fees related to the cost neutrality of operator's balancing activities. Please be informed that the Gas Transmission Operator GAZ-SYSTEM S. A. introduces the mechanism mentioned above, to be applicable as from 1st June 2020.
